

NEIF Commercial Energy Finance: Distributor & Manufacturer Offerings

A Financing Partner You Can Trust...At No Cost To You

When distributors and manufacturers partner with NEIF Commercial Energy Finance, everybody wins...

Your dealers close more deals by offering NEIF's affordable monthly payment options. You get paid quickly & reliably; and, best of all, your equipment sales and bottom-line increase.

A Mutually Beneficial Partnership with NEIF Commercial Energy Finance

Co-Marketing

Take advantage of NEIF's co-branding and co-marketing opportunities.

Finance Sales Training

Offer NEIF's training to integrate financing into your dealers' sale. Close more deals and never let lack of capital be a barrier again.

Cash Flow Support

NEIF provides progress payments direct to you. NEIF also offers rapid rebate advances and working capital finance to dealers.

Sales Support

NEIF provides expert sales support to close deals. NEIF ensures the finance process runs quickly, efficiently, and effectively.

Who is NEIF?

The National Energy Improvement Fund, LLC (NEIF) is a mission-based lender offering services for improvements that make businesses and homes resilient, energy efficient, healthy, and comfortable. NEIF is a Certified B Corp that meets the highest standards of social and environmental performance.

NEIF Commercial Energy Finance makes financing simple, fast, and accessible through an automated, user-friendly portal that manages all aspects of the finance process.
