

# Distributor and Manufacturer Offerings

A Residential and Commercial Financing Partner You Can Trust

When distributors and manufacturers partner with the National Energy Improvement Fund (NEIF), everybody wins...

Your dealers close more deals by offering NEIF's affordable monthly payment options. You get paid quickly & reliably; and, best of all, your equipment sales and bottom-line increase.

## More than Financing: The Pillars of a Mutually Beneficial Partnership

### Co-Marketing

Take advantage of NEIF's co-branding and co-marketing opportunities.

### Finance Sales Training

Offer NEIF's training to integrate financing into your dealers' sale. Close more deals and never let lack of capital be a barrier again.

### Cash Flow Support

Depending on the program, NEIF offers progress payments and rapid rebate advances, as well as working capital finance to dealers.

### Sales Support

NEIF provides expert sales support to close deals. NEIF ensures the finance process runs quickly, efficiently, and effectively.

## Who is NEIF?

NEIF is a mission-based lender offering services for improvements that make businesses and homes resilient, energy efficient, healthy, and comfortable. NEIF is a Certified Benefit Corporation® that meets the highest standards of social and environmental performance.

NEIF transforms financing from a contractor's cumbersome afterthought to an integral part of the value proposition for energy & resiliency projects, so that a customer's lack of capital is never a barrier.
