Consumers Making Energy Efficiency Upgrades Expect Trusted Financing

It's a major purchase, often unexpected. For many it's too big for generic or promotional "financing".

What drives customer "off the fence" for better energy upgrades?

Keystone (KEEP) Home Energy Loan – Overview

- Pennsylvanians can “Go Greener, Affordably” with fixed monthly payment financing for improvements that make homes more energy efficient.
- Eligible improvements include ENERGY STAR® rated measures such as heating and cooling, windows, doors, air sealing and insulation and other energy-saving improvements (qualification certified by contractor).
- Work must be performed by NEIF-Approved Contractors who have been vetted for financial stability and ethical business practices.
- Approximately \$10 million in available funding for first phase.
- Supported by the Pennsylvania Energy Development Authority (PEDA)’s Energy Accelerator Program.
- Administered by NEIF, the National Energy Improvement Fund, a Certified B Corp™ Pennsylvania energy efficiency lender.
- 100% financing available, instant credit decisions, easy paperless process and responsive communication with you and your contractor.

Contractor Certification of Eligible Improvement

- The qualifying improvements (make and model number) must be listed at <https://www.energystar.gov/products>
- Use the “Product Finder” to ensure that the improvement you are installing qualifies as ENERGY STAR.
- The contractor must self-certify that the improvements qualify when they sign the completion certificate. This is a qualification for funding. Installations may be subject to quality assurance verification.
- Non-qualifying improvements and larger projects may be eligible for NEIF’s standard EnergyPlus financing.

The screenshot displays the ENERGY STAR website's Product Finder interface. At the top, there is a navigation bar with the ENERGY STAR logo, a search bar, and links for 'ABOUT', 'FOR PARTNERS', 'Find Products', 'Save At Home', 'New Homes', 'Commercial Buildings', and 'Industrial Plants'. Below the navigation, a breadcrumb trail reads 'Home > Energy Efficient Products > Product Finder > ENERGY STAR Certified Boilers'. A language selector shows 'English | Français' and a link for 'Access to ENERGY STAR API, Data Set or Excel File'. The main content area features a 'Find and Compare' section with a 'Change Product' button and a 'Boilers' category. A promotional banner for 'ENERGY STAR Certified Boilers' includes a 'LEARN MORE' button. Below this, a 'Filter Your Results' section allows filtering by keyword, fuel type (Natural Gas, Propane, Oil, or Do not filter), brand name (A. O. Smith, Advanced Thermal Hydraulics, Baxi, BIASI, Bosch, Bradford White, Bryant), and efficiency (AFUE) ranges. A 'Rebates in your zip code: 18103' section highlights a 30% cost up to \$600 rebate for boilers, valid from 01/01/2023 to 12/31/2023, with a 'Visit website to learn more' button. The product list includes 'Energy Kinetics - Accel CS EK1C 90', 'HTP - EFTU-85WBN', and 'Radiant - R2KA 34/20', each with a 'CLICK FOR PRODUCT DETAILS' button and a 'Compare' link.

KEEP Home Energy Loan – Simple Process

1

"Know Before You Go" Credit Pre-Screen and Easy Application

- You can credit pre-qualify your customer with just a name and address - know before you go!
- Won't impact customer credit.
- To have your customer apply give them monthly payment options and use your company's custom NEIF Financing Gateway on your phone, tablet or website.

2

Instant Credit Decision. We Take Care of the Details

- Your customer will receive an immediate credit decision and you can view it instantly on your NEIF Contractor Portal.
- We will also email you and your customer.
- Upload a picture or PDF of customer contract or proposal to their NEIF Contractor Portal as soon as possible. **Must show manufacturer and model number of qualifying improvements.**
- Our Energy Lending Specialists assist the customer and contractor to expedite final approval and funding

3

Fast Contractor Funding

- Electronic loan docs are sent directly to the customer upon final approval, typically as soon as the contractor's proposal has been uploaded.
- Contractor can review the status of customer applications at any time by logging into their portal.
- Customer and contractor electronically sign off on job completion.
- **Contractor must certify that the qualifying primary improvements are listed at energystar.gov/products**
- NEIF funds contractor directly via ACH within 2 business days.
