1

"Know Before You Go" — Credit Pre-Screen & NEIF's Easy Application

- You can credit-qualify your customers with just a name and address. Know before you go!
- This won't impact the customer's credit.
- To have your customer apply, give them monthly payment options and use your company's custom NEIF Financing Gateway on your phone or tablet.

2

Submit Docs & Track Progress — Let NEIF Take Care of the Details!

- Your customer will receive a notification that the financing application was submitted, as well as an instant credit approval. Both you and the customer can view and track the loan status on your individual NEIF portals.
- Upload a PDF or Word Doc of your job proposal/workscope to the NEIF Contractor Portal as soon as possible.
- Our Energy Lending Specialists assist the contractor and customer to expedite final approval and funding.

3

From Approval to Payment — Fast Contractor Funding

- Electronic documents are available in the customer's portal upon approval, typically as soon as the workscope has been uploaded and reviewed.
- Contractor can review the status of the customer application at any time by logging into their contractor portal.
- Contractor will initiate the Completion Certificate once the job is complete. This will send the document to both the contractor and customer(s) for signatures.
- NEIF funds contractor directly via ACH within 2 business days of final documents being signed and utility rebate approval (where applicable).
